MEMORANDUM FOR THE RECORD

SUBJECT: Air Force Project Group Requirements

1. Lt. Colonel Sidney Brewer this date indicated that he would like to have copies of Lockheed's progress reports, flight test information, evaluations, etc. on our program, in addition to the progress reports he will be getting on the Air Force procurement. In discussion with Colonel Mitland it was agreed that this was a reasonable request and that we would request Lockheed to submit to us an extra copy of Kelly's every-two-month report and we would send one copy to the Air Force Project Group. Lt. Colonel Brewer or Lt. Colonel Herrington will visit Lockheed the latter part of March and ascertain what information is available of the type they desire. If available, they will channel a request through us to Lockheed to have Lockheed furnish same.

2. Colonel Brewer also desires to have a list of the participants at the last suppliers meeting and a copy of the report of the meeting.
